Compliance with Local Rules

Exhibitors assume responsibility for compliance with pertinent ordinances, regulations, and codes of duly authorized local, state, and federal governing bodies concerning fire safety and health, and the rules and regulations of operators and owners of the property in which the exhibit is held.

Union Jurisdiction

The exhibitors will abide by and comply with rules and regulations concerning local unions having jurisdiction over the hotel in which the exhibit is held, and specifically in the exhibit area and loading docks.

Loss or Damage

Because of the tremendous value and peculiar nature of the exhibits, it is impractical for either PSC or the Bally's Las Vegas to insure any exhibitor's equipment against loss, theft, or damage and breakage. Therefore, PSC, the Bally's Las Vegas, and their officer's, employees, agents, or representatives will not assume or otherwise be responsible for any injury, loss, or damage to the exhibitor, the exhibitor's officers, employees, agents or representatives, or their property, however caused. In addition, the exhibitor must assume responsibility for damage to the Bally's Las Vegas property and indemnify and hold harmless the Bally's Las Vegas and PSC for all liability that might arise out of the exhibit activities, whether or not such liability includes the sole or joint negligence of the sponsor from any cause whatsoever, including property damage, accidents, or injuries to exhibitors, their agents and employees, or to any member of the general public. In view of the foregoing, exhibitors should place such insurance as they deem necessary on their equipment and exhibits and are urged to extend their public liability insurance to cover this exhibit and the contractual liability assumed therewith.
